

Licencias- Licences- Lizenze

Os recordamos que para todos los participantes (piloto Y copiloto) es obligatorio tener una licencia. Estas licencias NO se podrán hacer el mismo día de las verificaciones.

*We remind you that for all participants of the rally (pilot AND navigator) a racing license is compulsory. If you need a local event license to be arranged by us please remember that these CANNOT be ordered on the same day. You will need to send an email to **admin@rallyislamallorca.com** with a copy of your ID and driving license in order for us to process this. The medical check that needs to be done for this IS possible during scrutineering.*
