Details for the race circuit stage tomorrow:

The schedule for tomorrow will be:

- a) **Recce lap for all competition and youngtimer cars including 0s and Showcars**
- b) **8 laps straight for all 0 and showcars from youngtimer and competition.**
They will be released into the track every 30 seconds.
- c) **4 time kept laps for youngtimer and competition cars** and you will be released every minute into the track. You will do break and then a second set.
- d) All **regularity 0's and showcars** will be doing 8 laps straight and be released into the track every 30seconds. When you finish you go back to Portals.
- e) All **regularity FAST** will be doing 8 laps straight and be released into the track every minute. When you finish you go back to Portals.
- f) All **regularity SLOW** will be doing 8 laps straight and be released into the track every minute. When you finish you go back to Portals.
- g) **Second set of 4 time kept laps for youngtimer and competition cars** and you will be released every minute into the track. When you finish you go back to Portals.

See more details below:

TIME	ACTION	GROUP	LAPS
16:00	Recce (A).	Show cars and 0s Young timer Competición Youngtimers Competición	1
16:10	Start Show Cars Young timer. Every 30 sec. (B).	Show cars and 0s youngtimer and competition.	8
16:20	Start time kept laps, youngtimer and competition. First Set. Start every minute. (C).	Young timer cars Competición cars	4
17:20	Start Show Cars and 0s Regularity High and Low. Every 30 seconds. (D).	Show Cars Regularity	8
17:35	Start Fast Regularity Every minute (E).	Fast Regularity	8
18:00	Start Slow Regularity Every minute. (F).	Slow Regularity	8
18:25	Start time kept laps for youngtimer and competition cars. Second set. Every minute. (G).	Young timer Competition	4

For regularity:

The 8 laps on the circuit will **be completely free and so not time kept or anything**. If you decide not to drive on the track that is accepted yet you do need to come to the circuit as there is a time control there. You will 8 laps at once and cars will be allowed into the track every minute and so you will drive with several cars in the track

For competition:

Your two sets will be time kept.
